## LEGION WHIST AND BRIDGE PROVES SUCCESSFUL

The Legion bridge and whist parties held in Didsbury and district during the month of April were very successful. The sum of \$81.00 was turned over to the Boy Scout building fund.

Winners were as follows: Bridge — Mrs. Jean Devine and Harvey Gillrie; whist — Mrs. Ellen Wilkins and Tom Patterson. No prizes were given for low scores.

It has been decided to have a large social evening of whist and bridge following the June meeting of the Legion and Auxiliary, and veterans and their wives will be invited to attend the meeting and party to follow.

The Legion is anxious to obtain the names of veterans who are not Legion members to fill out their list for future annual veterans' bonquets. Any veteran who has not been contacted is asked to hand their name to Al Enwer at the Bright Spot.

## MELVIN NOTES

(From Our Own Correspondent)

Because of the winterized weather the W.I. telephone bridge and whist party has been extended. Please have games completed before the May meeting.

On Tuesday evening last the first of the W.I. telephone bridge parties was held at the home of Mr. and Mrs. Ross Youngs, with four tables in play. High scores were Mrs. Ross Youngs and Mr. Ed Ford. Congratulations went to Mrs. Ed Ford and Raymond Fulkerth. On Monday evening six tables of bridge were in play at the Dupont home. Mrs. E. Dupont Sr. and Emil Dupont Jr. held high scores and Mrs. E. Dupont Jr. and Emil Krebs were consolation winners.

## South West Didsbury

(From Our Own Correspondent)

Mrs. George Meyer and George were Calgary visitors Tuesday.

Mr. Arthur Reinhard of this district, leaves Wednesday for Calgary and will leave there by plane to join the Mounties at Regina.

## Long-Time Resident Dies In Hospital

A long-time resident of Didsbury, who came here in 1912, Mrs. Janet McGregor Watson, died Thursday in Didsbury hospital at the age of 74 years.

She was born in Perth, Scotland and came directly to this district from her native home.

Surviving are her husband, George, of Didsbury; a son, Allistair, Dallas, Texas; two brothers, James in England and Archibald in Calgary; a sister, Mrs. Mary Crawford, of Perth, Scotland.

Rev. C. C. Armstrong officiated at funeral services Saturday at 2:30 p.m. at Knox United Church, Didsbury and burial followed in Didsbury cemetery. Didsbury Funeral Home were in charge of arrangements.

## BERGEN NOTES

(From Our Own Correspondent)

The April meeting of the Bergen Ladies' Aid was held at the home of Mrs. Ross Ellis, with only six ladies present due to the bad roads and inclement weather.

The interior of the Bergen United Missionary church has received a coat of paint.

Rev. and Mrs. Arthur Moore and family have arrived from Manitoba to take up the pastorate at the Pentecostal Holiness church.

Mrs. Esther Shaffer is out of the Olds hospital but is remaining in Olds to receive medical treatment.

We are sorry to hear that Mr. Reuben Olsen is back in the hospital again.

A lot of people have once again to the road old horse and buggy days. With the weatherman holding the whip hand, what else could they do. It has been a long time since so many teams and saddle ponies went down road but when the snow melts 24 inches deep it is just impossible to navigate with these new fangled machines. If those were snow furries the weatherman predicted it would be interesting to see a real snow storm.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. and Mrs. Alberta Nittaney (Margaret Wiker) were the recipients of many lovely and useful gifts when a shower was held for them at the Zella school Friday evening with Mrs. Joe White as hostess for the occasion. The evening was spent in playing games and the making of a bride's book which was presented to the newlyweds.

Mr. and Mrs. Edward Waldruff and Mr. and Mrs. Arthur Waldruff motored to Red Deer on Wednesday to attend the funeral of their brother-in-law, Mr. Ross Sibley of Haynes, who passed away suddenly the previous Saturday.

Mrs. Jim Johnston was a visitor in Edmonton Friday and Saturday of this past week. Her sister, Miss Lilian Youngs of Edmonton returned with her to spend a few days here.

The Farm Electric crews have now completed their extension work in the district and several more farmers are now receiving Calgary Power.

A cordial invitation is extended to all to attend the churches services conducted by Rev. C. C. Armstrong the first and third Sundays of each month at 10 a.m. and Sunday school held every Sunday at 11 a.m. at the Zella school. Special held-over Mother's Day service will be held on May 16.

## MOUNTAIN VIEW

(From Our Own Correspondent)

There will be a Mountain View W.I. food sale in Campbell's Store on Saturday, May 5.

Miss Jean Ralston, cousin of Mrs. John McNaughton, is visiting at present at the McNaughton home.

Little Stella, Ann McNaughton, daughter of Mr. and Mrs. John McNaughton, was christened on Sunday evening in Carstairs Presbyterian church. Her christening gown had been used by her great-great-grandmother, on her mother's side, and is over 130 years old. The christening bowl has been used by generations of McNaughtons.

Her sister, Margaret, was christened in the same gown in Scotland a few years ago.

A large number of swans have been seen in the district recently, an unusual sight in these parts.

Miss Florence McGill spent a few days recently with her grandparents, Mr. and Mrs. Thomas McGill of Three Hills.

Mr. and Mrs. Joe Hunter and boys visited Sunday evening with Mr. and Mrs. Ed Sules.

Monday evening supper guests with Mr. and Mrs. Ed Sules were Miss Owens, Miss Maxine and Geraldine Fulkerth and Mr. Benny Fulkerth, the occasion being Kenneth Stiles' 15th birthday.

Mr. W. B. Stenover is staying at Carstairs with Mrs. Bill Weidman and family. Mr. Bill Weidman had the misfortune to break his leg when he last load of moving to Carstairs and is at present in Didsbury hospital.

Mr. and Mrs. Garnet Tishe and Mr. Kenneth Tishe motored to Vauxhall Friday where the latter has accepted a position in the P.P.R.A. office.

Sunday supper guests with Mr. and Mrs. G. McGill and girls were Mr. and Mrs. Mac Fraser and Ken and Mr. and Mrs. G. McGill. Mrs. T. McGill and Kenneth remained to spend a few days.

Mr. and Mrs. Dave Pratt and family and Mr. and Mrs. Charles Pratt spent Sunday evening with Mr. and Mrs. Walter Pratt and family.

## W. A. Austin Announces Retirement; Honored Tues.

Elsewhere in this issue you will find an announcement which we were reluctant to publish, not because we have an aversion to taking business into our office; not because there is anything wrong in any way with the notice, but because it reveals the fact that two more Didsbury pioneers are leaving our midst.

Within the next ten days or so, Mr. and Mrs. W. A. Austin are leaving Didsbury to take up residence at the West Coast, and their presence will be sorely missed in the district as a whole. Their many friends and the organizations with which they were connected will bear us out strongly on this point. As Mr. Austin mentioned to your writer only yesterday, he is reaching an obituary. However, their leaving will leave a sadness in the hearts of their innumerable friends.

"Sunday" the name by which he is more familiarly known by the old-timers, came to Canada and Alberta from Scotland in 1912, at the age of 27 years, and after a brief look at inferior centres such as Calgary and Olds, settled in Didsbury in June, 1914. In 1916 he joined the Canadian Expeditionary Force and served overseas for three years, returning in 1919 to resume his law practice here.

To enumerate the number of committees, the positions held in organizations and the unseen welfare work done by Mr. Austin would cover our front page and probably embarrass one who cares little to talk of his work in these departments. Let us just say there were untold numbers who benefited by his wise counsel and open heart.

Mr. Austin served as clerk of the town of Didsbury for 25 years, and for 30 years was very active in various capacities in the Alberta Division of the Canadian Red Cross, and served for two years as president.

## FALLEN TIMBER

(From Our Own Correspondent)

Mrs. L. Teynor and Mrs. B. Money spent a week visiting at the home of Mr. and Mrs. W. Roberts and family of Wrentham.

A variety program will be held at the Fallen Timber School on Saturday evening, May 15 at 8 p.m., with a bazaar in conjunction. During the evening a quilt will also be raffled and proceeds of the evening will go towards the building of the church.

Mr. and Mrs. G. Admussen had the misfortune to have their roof catch on fire recently but were able to extinguish the blaze before too much damage was done.

Mrs. Johnny Howton, Danny and Jeanne spent two weeks visiting in Calgary.

It has been reported by one of the neighboring farmers that a measurement of the recent snowfall revealed it was over 40 inches.

Mr. and Mrs. J. H. Cooper and Ken were recent visitors at the home of Mr. and Mrs. G. Admussen and family of Bergen.

Master Gordon McGaffin spent Easter week in Didsbury at the home of his grandparents, Mr. and Mrs. W. H. McGaffin.

Mr. H. Howton is a patient in the Didsbury hospital.

The April meeting of the Busy Bees was held at the home of Mrs. D. Stair, with 14 members present. It was decided to spend the next two Wednesday quilting, quilts to be finished before the next month.

We are sorry to hear that Mr. Stan Morrison is a patient in the Olds hospital.

Mr. S. Morrison was taken ill recently and only through the combined efforts of neighbors and relatives was he able to be moved to the Olds hospital through the deep snow. We wish him a speedy recovery.

Mrs. O. Moore of Calgary spent a few days last week visiting at the home of her son and daughter-in-law, Mr. and Mrs. Bob Moore.

Mrs. W. Stenover and Mervin were attendants at the funeral of Mr. C. Taylor in Didsbury recently.

## WESTCOAST NEWS

(From Our Own Correspondent)

Mrs. Herbert Goetjen accompanied her brother, Mr. Cecil Papke, and mother, Mrs. H. Papke, to Calgary the weekend where the ladies attended the trousseau tea of Miss Shirley Doddridge.

There has been more sickness in the district as mumps are more prevalent than ever.

Mr. Les Goetjen is in Calgary this week taking in the big hockey games between Calgary and the Quebec Aces. He is the guest of his sister, Elaine, and husband, Mr. and Mrs. Ken Card.

The electricity was turned on in this area last Tuesday and Wednesday, thus completing this end of the line.

of that body.

"Sunday" was one of the first members of the Canadian Legion here and acted as president for two terms. During his association with this group he was instrumental in organizing the Scout movement in Didsbury, under sponsorship of the Legion.

Mr. and Mrs. Austin have been active members of St. Cyprian's Anglican church and were honored by the congregation of the church last Sunday.

During our short chat with Mr. Austin he made it plain that he had been an active golfer and curler but professes no greater achievements in either sport. Seems like he never really made a mark in the time of his direction but we know from our short acquaintance with him that he played as a sport, not as a business man.

On Tuesday evening, a largely attended reception was held in the Lions hall for Mr. and Mrs. Austin, at which a presentation of travelling pass was made to the time of the writing the gift presented by the business men of the town was not available to us.

To the ones for whom the gathering was held, we imagine it was gratifying to receive the above-mentioned gifts, but we believe they appreciate more the thoughts behind the gifts and the indisputable esteem in which they are held by the members of the community.

We would like to add our sentiments to those of a whole lot of other people by saying "we're sorry to see you leave, but enjoy yourselves, take it easy, and let's hear from you once in awhile."

## MEDAL CONTEST SPONSORED BY W.C.T.U.

A very interesting medal contest was sponsored by the W.C.T.U. in the Evangelical church Friday, April 30, with Mrs. H. A. Traub as chairman. There were 32 contestants, divided into five groups.

Lillian Allen won the bronze medal. Two groups competed for the silver medal, with Margaret Deadrick and Arnold Eby ending up as winners. Mrs. S. S. Traub won the gold medal and Grace Eby the senior silver.

The children and young people took care of their parts very well and the large audience enjoyed them as well as the musical numbers and the violin solo by Gordon Reimer.

The members of the W.C.T.U. feel it a worthwhile effort in training young lives to be better citizens and to show them the dangers of alcohol in all its forms.

## Mt. View W.I. April Meeting

Mountain View W.I. held their April meeting at the home of Mrs. Charles Snyder with 10 members and five visitors present.

A motion was made that \$2 be sent to the Salvation Army. Three thank-you cards were read. Cancer material was handed out.

A very interesting report was read from the conference at Drumheller, sent in by Mrs. Hogg. A motion was made that 25 cents per member be paid to go towards travelling expenses for Mrs. Lefsrud to A.C.W.W.

Eight articles of sewing were handed in for the Red Cross. Mrs. Stiles gave a wonderful report on Dr. Pikuntins Talk on "Adolescence" and also "The Life Story of Mr. L. C. Holmraas."

It was decided that a food sale would be held on May 8. Roll call was answered by say, sing or whistle and two outstanding ones were Mrs. Mervall's poem called "Happiness" and Mrs. Thibe, who read a beautiful story on Easter legends.

The ten-cent draw netted \$150 and was won by DeWitt Saunders of Calgary. The meeting closed with "God Save the Queen."

## NO BLACKOUT YET !!!

At the time of going to press last Tuesday afternoon, a phone call to the authorities in Olds revealed that no one as yet had won the play-at-home bingo grand prize.

## CANCER Can Be Cured!

It's possible. It's probable. The big question is... In how many cases? Right now, with present medical knowledge, the number of cancer cures could be doubled.

But we need your dollars... to spread information, to make more detection programs available, to assist doctors, and to aid laboratory workers in the great fight to find more cures for cancer.

We ask your help! There's no time like the present — there's no time to lose. Now is the time to GIVE TO THE CANCER CRUSADE.

We wonder how much time you can get when the aluminum wire used in delicate apparatus which records the earth's tremors. Drawn out almost to its vanishing point, it is about one-twelfth the diameter of a human hair. One pound of aluminum would make enough of this unbelievably fine wire to stretch 20,000 miles!

We know no more striking example of the way people make use of the lightness and strength of aluminum for all sorts of jobs. Our research and technical men are constantly tackling new questions brought to them by Canadian manufacturers who look to aluminum in developing new products, or better products, or products that cost less. ## Through The Study Window

By REV. C. C. ARMSTRONG

Just at the present I am thinking about a problem that arises out of funeral customs. It concerns the professional past the opened casket, as a sort of farewell gesture at the conclusion of the service. What can be said about this practice?

First of all, there are those who believe that the wishes of the mourners should govern the decision. If it is their wish that the casket should be opened, that should be done. Again, if another glimpse at the familiar features of a beloved friend is any help or comfort, should that be denied them? Should we give people the impression that death is such a shocking thing, that one ought not to look upon the still and lifeless countenance, and that by eliminating to view we make death even stranger and more mysterious than it is? Such, I suppose, are at least some of the reasons for the custom.

There are several things that can be said against the custom. One of the practical things is that anyone who wishes to view the body should readily do so at the funeral home prior to the service, and thus gain what comfort, if any, comes through such a visit. If the casket is to be opened at all, it need not be opened in the church itself but rather in some other place.

There are other things that should be remembered. Any true friend does not wish to make things more difficult, but rather seeks to make them easier at any time of bereavement. My own experience has convinced me that any professional results in added delay which causes only added distress to the family bereaved. There is no comfort in it for them, but simply prolonged emotional tension.

Another fact that should not be forgotten is this. The human body is the dwelling place of the soul. Its material substance comes from the earth and eventually it returns there. All that makes a person dear to us is spiritual, and to view the body calls attention, not to the soul, but to that which is corruptible. It is one of God's great blessings to humanity that the tomb of Jesus was empty, and that mankind seeks help, not in the cold clay, but in the radiant Spirit.

Those who viewed the Resurrection were not ones returning once again to view the body of the Lord. Instead of looking backward at the body they were told to look forward, to go to Galilee rather than to the

## Letter To The Editor

Editor, Didsbury Pioneer.

Dear Sir:

Recently the Hon. Gordon Taylor minister of highways for Alberta attended a national conference, called by the president of the United States, held in the White House, to discuss the tragic situation of traffic accidents in the United States.

Premier Manning is calling a provincial conference on May 19 at Edmonton in the Macdonald hotel, at municipal and other organizations are requested to send delegates.

Last February there were 21 deaths from car accidents in Alberta. This tragic state of affairs does not give the loss of property and the suffering from injury. Something must be done to remedy this problem. It is estimated that at least one out of five motorists will be involved in some form of car accident in 1954.

I would urge that all organizations try and send at least one delegate. Each organization must pay their own expenses and there will be no registration fee.

Remember the date, May 19, at Edmonton. You are urged to notify the Edmonton office, stating name of delegate, group represented and I would suggest that you make your hotel reservations early.

Send information by May 8 to Premier's Conference on Highway Safety, Room 407 Legislative Building, Edmonton.

Let us see that the Didsbury constituency is well represented.

H. G. HAMMILL, M.L.A.

## FARM INCOMES

Farmers' cash income in 1953 is now estimated as 3 per cent below the all-time high of 1952. Total is about \$2,741 millions. Some provinces did not suffer a loss though: Nova Scotia cash income came up a shade and Saskatchewan reached a new record. Less than 1 per cent drop was shown in British Columbia. Prince Edward Island was hardest hit with a 30 per cent decline.

tomb of Joseph. They would find him in the scenes of life rather than at the place of burial.

The session of the church is empowered to legislate on this custom of professionals and forbid its practice in the church. That is one way. A better one is for an enlightened public conscience to abandon it altogether as a custom that is unnecessary, morbid and painfully distressing. A word to the wise is sufficient.

## Notes From D.A.

By Hugh McPhail

The importance of producing high quality swine is shown by the recent experience of the Daves, also the importance of rail grading.

Because the British Ministry of Food did not pay for quality, carcasses grading of hogs in post-war years has not been practised in Denmark. But the anticipated deterioration of bacon in the United Kingdom in July this year and recent signs of dissatisfaction with some bacon delivered there hastened the return to carcass grading which was re-instituted on January 1, 1954.

In a further effort to retain their reputation for bacon quality, hog breeders are setting out in 1954 to reduce the back fat of Landrace pigs. At the same time they hope to increase their average length by two centimetres without harmful effects on size and quality of ham. This appears to be an ambitious goal but it is confidently expected that it can be achieved by careful selection and without resorting to inbreeding, or the introduction of blood from other breeds.

In Carstairs recently, farmers asked me about the value of 120 as a swine feed. The following is taken from the Lacombe Experimental Station Publication No. 688.

"Rye is not used to any extent as pig feed in Canada. Compared with the grains already discussed, oats and barley, it is somewhat less palatable and when fed alone it is inefficient in promoting growth and putting on finish. Swine have a pronounced dislike for rye containing any marked amount of ergot, a poisonous substance. Care should be taken not to feed the containing ergot to breeding swine. Rye should be coarsely ground or rolled for swine and because of its lack of palatability, should be mixed with oats and barley, or either grain alone. In any case, rye should not make up more than one-half of the ration."

## UNIVERSITY MIXED CHOIR TO VISIT OLDS AGRIC. SCHOOL

One of the best choral groups in the province, and one heard frequently over the C.B.C. and Canadian networks, the University of Alberta Mixed Chorus, under the direction of Professor R.S. Eaton, will present a program of varied choral music in the Olds School of Agriculture, Tuesday, May 11 at 8 p.m., as part of their annual spring tour.

Approximately 80 young choristers of the regular 1953-54 troupe, representing all parts of the province, and very faculty at the University, will be making the tour by bus this year.

On probably their most difficult but most rewarding program to date, two major choral works are being offered. A group of madrigal singers will interpret several 18th century love poems and Gordon K. Greene, assistant conductor and student member of the chorus, will share the program with the regular conductor.

**Shelterbelt Trees Being Shipped**  
Some Trees ordered through the Al-  
berta Department of Agriculture for  
shelterbelt purposes will be shipped  
soon. Each farmer who ordered  
trees will receive notice informing  
him of the approximate shipping  
date and the station from which the  
trees can be picked up.

It is most important, says P. D.  
McAlla, supervisor of horticulture,  
to plant trees as soon after arrival as  
possible. Good top soil should be  
backed firmly around the roots of  
the trees, he advises, and watered if  
the soil is on the dry side.

Cuttings (poplar and willow)  
should be planted in moist soil at a  
45 degree angle. Pack the soil  
firmly around the whole length of  
each cutting, except for one bud lef-  
t above ground. Then water them.

Of course this planting order is  
very much simplified by using the  
tree planter. A much better job is  
done in a small fraction of the time  
than can be done by hand. If there  
are only a few trees or cuttings to  
plant you may not want to bother  
with the planter. However, if for your  
use and we will be happy to bring it  
out to your place and help you plant  
your trees without charge to you.

Be sure and let us know if you  
want to use the tree planter. If you  
cannot plant immediately, unbury the  
bundles and place the trees or cut-  
tings in a trench on the north side of  
a building or shelterbelt. Cover the  
roots and pack with moist soil. Bury  
cuttings completely in moist soil and  
keep them watered until ready to  
plant. This will save the trees or  
cuttings for several days until you  
can plant them.

Cremona W.I.  
April Meeting

The Cremona Women's Institute  
met at the home of Mrs. Jim Wilcox  
with eight regular members and one  
new one present. Roll call was  
answered with a funny joke. The  
secretary gave a report on the tea  
and home cooking sale, from which  
\$30 was realized.

It was decided the branch send \$10  
to the Cancer Fund as the W.I. will  
not be able to collect this year.  
The raffle was won by Glen  
Johnson and \$4 was collected for  
fees and flower fund.

**IT'S ABOUT TIME**  
Once again the clocks are all  
messed up. Parts of the country are  
on daylight time, parts will stick to  
standard. Travelers won't know  
when or if they are going to eat until  
they consult a local spokesman.  
The Financial Post reports:

Two provinces, Alberta and Prince  
Edward Island, have banned summer  
time completely. Elsewhere cities  
and towns are on their own. Some  
forms of transportation, like the  
railways, will stick to standard time,  
some like T.C.A. say they will use  
both.

Ever since the First World War, 40  
long years ago, we have been experi-  
menting with daylight saving. Surely  
before now we should have been able  
to make up our minds, one way or  
the other.

Congratulations are extended to Mr. and Mrs. A. Cowie of Edmonton on the birth of a daughter on April 28.

## CHRISTIAN SCIENCE

Man's real spiritual status as the perfect image and likeness of God will not be subject to sin or other weakness, will be emphasized at Christian Science services on Sunday. The Lesson-Hymn entitled "Adam and Fallen Man" includes the following passages from the Bible: "And God said, let us make man in our image, after our likeness. So God created man in his own image, in the image of God created he him: male and female created he him." (Genesis 1:26 to 27).

The following selection will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the exact assurance of no pain, no pain, and of man deathless and perfect and eternal." (p. 134).

## SELLING WHEAT

Both the United States and Argentina are using sales methods for the disposal of wheat which include the acceptance of currencies of importing nations and barter deals. The U.S. is going beyond Argentina in virtually making gifts of quantities

of wheat. The money the U.S. receives in such instances goes back to the nation which bought the wheat to be used for military expenditures therein. In the face of such competition Canada is having a difficult time increasing wheat exports.

## Letter To The Editor

Following is a letter to the editor which appeared in the Westlock Witness which we think is worth reproducing here:  
Editor, The Witness.

In your issue of March 31st you print a letter from Mr. Henry Young, concerning your alleged refusal to print Mr. Young's attack on the Alberta Rural Electrification set-up.

The article in question is entitled "The Electric Power Racket." I have read the article in the official organ of the P.U.A. and I can assure you that Mr. Young does not know what he is talking about. I have been engaged now for over two years canvassing the territory between Pibroch and Plathush in forming the Pembina Valley R.E.A. and we still are not finished trying to get enough farmers to put up the \$180.00 each to establish a power line.

If we had been canvassing under the Saskatchewan system the farmer would be asked to pay two-thirds cash and agree to buy at least two major appliances and two minor ones, which would mean that each farmer would have to fork out at least \$500.00 cash.

However, Mr. Young is entitled to his opinion but I would suggest to him, if he would like to increase the membership in the P.U.A., to use a little horse sense.

How can Mr. Young expect to draw any new member by going around the country spouting politics. Nobody can expect farmers to join an organization, when the leaders thereof want to cram their particular brand of politics down the member's throat.

I, for one, and hundreds more like me, refuse to join the P.U.A. until the leaders leave politics out of the organization.

HENRY TERHORST, Jarvie

## FAREWELL PARTY FOR SUNNYSLOPE RESIDENTS

On Wednesday, April 28, about 75 neighbors and friends gathered in the I.O.O.F. hall in Sunnyslope to honor Mr. and Mrs. Stanley Youngs and Mr. and Mrs. John Davis, who are leaving the district shortly.

What was played, with top honors going to Mr. Lloyd Anderson and Mrs. Mary Dyer. Congratulations went to Mr. Harold Davidson and Mr. John Davis.

Lunch was then served by the ladies and Mr. Fred Metz presented Mr. and Mrs. Davis with an electric lamp, pyrex cake dish and cup and saucer, from the community. Mrs. Davis was also presented with an electric toaster from the Sunnyslope Busy Bees Club.

Mr. Alvin Keever presented Mr. and Mrs. Youngs with an electric lamp, pyrex cake dish and cup and saucer from the community.

The honored couples thanked their friends for the lovely gifts, after which the floor was cleared and dancing was enjoyed by all till the wee hours of the morning.

Mr. and Mrs. Youngs are moving to Swallow and Mr. and Mrs. Davis to Oids.

From birth to age 16, family allowance payments cost \$1.88 for every Canadian child.

## FOR YOUNG MEN OF 16

**Apprentice Training  
for a  
Bright Future**

Combine thorough trades training, schooling, sound discipline, with understanding of the spirit of youth and you have the elements of the Canadian Army's Soldier Apprentice Plan for young men of 16. The Soldier Apprentice training is designed to enable young men to gain promotion to higher ranks in the Army.

The young men who are accepted for Soldier Apprentice training receive:

- thorough trades training in one of 16 trades,
- academic training — comparable to that received in secondary schools,
- the general military training of the Canadian soldier.

Soldier Apprentices are eligible for all Army benefits, including 30 days annual leave. They receive half pay when 16 and on their 17th birthday they receive full pay.

To be eligible, the young man must be at least qualified for his high school entrance. He must have attained his sixteenth birthday but not his seventeenth birthday.

Courses begin in September but applications are now being received. Following interviews, the applicants must be accepted after June 1st and then sent home on leave until courses commence in the Fall.

There is an interesting booklet and full information on the Soldier Apprentice Plan, write, phone or visit the Army Information Recruiting Centre nearest your home.

### ANNOUNCEMENT

I beg to announce that I have disposed of my practice to my friend, Mr. H. Lynch-Staunton. He will complete any item of business which I have on hand.

The documents and papers which have been deposited in my vault for safe-keeping will be looked after and cared for by Mr. Lynch-Staunton in the same way as I have done.

I take this opportunity of thanking my clients for all their kindness and loyalty over very many years, and bespeak for my successor the same co-operation.

Am very sorry to part from my business, but after forty years of service, I feel that a respite is coming to me.

### FAREWELL PARTY FOR POPULAR FAMILY

Sunday evening friends and neighbors gathered in the E.U.B. church basement for a farewell party for Mr. and Mrs. W. A. Sherrick prior to their departure for a new home in Elkhart, Indiana.

A splendid program was enjoyed with Mr. E. Couswell as master of ceremonies and included readings, musical numbers and selections and in conclusion Mr. W. A. Sherrick favored the gathering with a solo.

Rev. A. J. Grams very fittingly spoke of the family and what an asset they had been and remarked on how much they will be missed in the church and community.

Mr. E. Dippel, superintendent of the Sunday school, then spoke and presented the departing couple with a purse of money from those present. Following this lunch was served and all present wished the honored guests "bon voyage."
